

Agenda for December 1, 2016 meeting – CENGR Curriculum Committee
3:30-4:30 pm Driftmier Small Conference Room (Room 316b)

Announcements

- Changes to agenda?
- Review minutes from last meeting

Updates and Discussion

Action since last face-to-face meeting:

- The suggested modifications to the change request for ENGR 2120 were discussed with the instruction faculty teaching that course, and a modified proposed was approved by the curriculum committee. The modification was to make ENGR 1140 a full prerequisite for ENGR 2120, rather than just a pre- or co-requisite.

Proposed curriculum and course change proposals

- Course prefix revisions (File: Course Prefix Revisions.xlsx)
-

New business

- Graduate Sustainability Certificate Proposal
