

Wishing all of our Domestic and International Indian Students a Happy Diwali!

Diwali is India's biggest and most important holiday of the year. Also known as the festival of lights, the holiday celebrates light prevailing over darkness, or good prevailing over evil. The festival starts on Oct. 24 and celebrated over five days, and it is associated with the Hindu goddess of wealth.

Dia de los Muertos, Day of the Death Celebration

Day of the Dead, or Día de los Muertos, is a traditional Mexican holiday celebrated November 2. On this day, it is believed that the souls of the dead return to visit their living family members. Many people celebrate this day by visiting the graves of deceased loved ones and setting up altars with their favorite foods, drink, and photos.

Future Leaders in Public Service Internship Program- Summer 2023 application open September 1 – November 27, 2022.

2023 Scientist Mentoring & Diversity Programs for Biotechnology (SMDP Biotech) and Medical Technology (SMDP MedTech)

Program Director, Dustielyn Savage will be hosting a SMDP Info Session on November 19th at 11am PST.

Here is the zoom link students will need to register. Everyone is welcome. Register in advance for this meeting: <https://icpdprograms-org.zoom.us/meeting/register/tZYuc--spjopGdJYUrW-QtFNp9A-ejrLM9CT>.

Interested candidates are invited to apply online at <http://smdp.icpdprograms.org/>. Successful student applicants will receive fellowships to attend one of the programs and virtually all expenses for the one-year SMDP are covered. The deadline for the conference is April 7, 2023.

SWE Conference - Houston, Texas

ViewFinder Climate Survey

From October 20-22 SWE UGA along with Dean Leo, Dr. Garcia, and Dr. Lewis were the first attendees in the history of the college to participate in the Society of Women Engineer Conference in Houston, Texas. Twelve Members of the UGA CENGR Chapter attended this exciting conference.

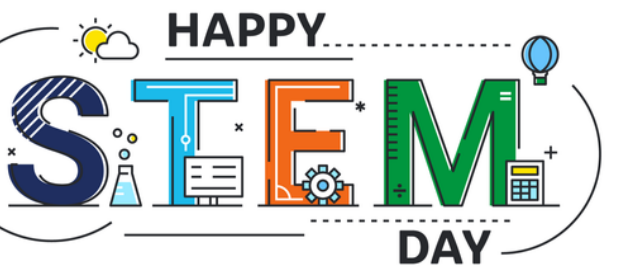

INSIGHT Into Diversity®

INSIGHT Viewfinder® Campus Climate Surveys

College of Engineering faculty, staff, and students, be on the lookout for the **Viewfinder Campus Climate Survey**. You will receive an email directly from Viewfinder. It is vital you help us completing the survey as it will further help us develop a long-term strategy for increasing diversity, equity, and inclusion. Providing an inclusive and welcoming environment for all; this is a collegewide priority. The climate survey will be available through Nov 18.

November Calendar

NOVEMBER 2022

Full Month

Diabetes Awareness Month: was created to enhance awareness about the risk factors, symptoms, and types of diabetes.

National American Indian and Native American Heritage Month: celebrates the culture, diversity, and contributions of Native Americans and draws attention to their historical discrimination and systemic exploitation.

National Adoption Month: seeks to increase national awareness of adoption issues, bring attention to the need for adoptive families for teens in the foster care system, and emphasize the value of youth engagement.

Military Family Month: Was first declared as Military Family Month in 1996. Since then, November has been a time to acknowledge the tremendous sacrifices our military families make.

11 Veterans Day: a US federal holiday honoring military veterans. The date is also celebrated as Armistice Day or Remembrance Day in other parts of the world and commemorates the ending of World War I in 1918.

15-19 American Education Week: is celebrated to remind and inspire us to make education in America even better, as we celebrate the pace-setting contributors to the educational system.

16 College of Engineering hosts a dinner for International students

16 Dutch American Heritage Day: celebrates the longstanding friendship between the U.S. and the Netherlands.

17 International Students' Day: focuses on creating and increasing access to education around the world. The day also promotes students' rights, youth activism, and multiculturalism within educational settings.

19 International Men's Day: emphasizes men's health issues and highlighting the importance of male role models.

20 Feast of Christ the King: Catholic holiday established to thank God for the gift of time and a rededication to the Christian faith.

20 Transgender Day of Remembrance: seeks to remember those who were murdered due to transphobia.

24 Thanksgiving: began as a day of giving thanks for the blessing of the harvest and of the preceding year.

30 St. Andrew's Day: the feast day for St. Andrew within various Christian denominations.

10/31-11/2 Day of the Dead: commemorates those who have passed away in the Christian faith and Mexican and Aztec communities

1 All Saints' Day: a Christian holiday commemorating all known and unknown Christian saints. The day is observed on the first Sunday after Pentecost.

2 National Stress Awareness Day: The aim of the day is to raise awareness, publicity and profile of stress and its impact, and reduce stigma while promoting the importance of wellbeing.

2-6 Society of Hispanic Professionals and Engineers (SHPE) National Conference.

Organization of the Month

oSTEM aims to create a safe and inclusive environment for UGA students studying stem related fields. They expect to provide members with social and professional opportunities. More importantly, they want to help members reach their fullest potential while remaining authentic to their identity.
