

UGA College of Engineering Undergraduate Merit Awards for Service, Research, and Athletics

Description:

The College of Engineering (CENGR) Honorifics Committee is pleased to call for nominations for the 2024-2025 CENGR Undergraduate Student Merit Awards for Excellence in Service, Research and Athletics.

Note: These are three (3) distinct award categories: one for Service, one for Research, and one for Athletics. It is possible to have multiple recipients of each award category.

These awards are **not** limited by class ranking (i.e., seniors are not the only students eligible)

Criteria and Other Considerations:

An eligible student shall:

- Be enrolled in a CENGR undergraduate degree program at the time of the CENGR awards banquet (April 2025)
- Demonstrate a strong work ethic in and out of the classroom, especially in the specific area of the award (research for research, service for service, athletics for athletics)
- Be an active participant in good standing in the area specified by the award (i.e., athletics, service and research) as well as in the classroom
- Exceed expectations in and out of the classroom, as set forth by instructors, professors, staff, and coaches

Nomination Process:

- A call for nominations will be issued by the CENGR Honorifics Committee.
- Nominations may be submitted by anyone within the college, including faculty, staff and students during the specified time period.
 - **Nominations can be made at [this link](#).**
 - **Nominations will be accepted until 5:00 pm, February 7th, 2025.**

Application:

Nominated students will be contacted and asked to prepare an application **as a single PDF, not to exceed 10 pages**. Within this page limit, the dossier should include:

- A two (2)-page cover letter describing achievements in the specified merit category (service, research, athletics). Please make reference within this statement to other evidence included in the dossier.
- At least two (2) letters of recommendation from a pertinent member of the impacted community
- Any additional evidence within the page limit
- **Application materials must be submitted via the [application link here](#) by 5:00 pm, February 28, 2025.**

Selection Process:

The College of Engineering Honorifics Committee will meet to determine award winners prior to the annual CENGR Celebration of Excellence.
